

Fix site display problems with Compatibility View

To add a site to the Compatibility View list

1. Open the desktop, and then tap or click the Internet Explorer icon on the taskbar.
2. Tap or click the **Tools** button , and then tap or click **Compatibility View settings**.
3. Under **Add this website**, enter the URL of the site you want to add to the list, and then tap or click **Add**.

Note

- If you add a site to the Compatibility View list and the page looks worse, the problem might not be compatibility and you should remove the site from the list.
